

Certification of Non-Genetic Engineering

The undersigned Pieter Storm declares that all varieties delivered by Agro Seed Service bvba

1. Have been developed in accordance with the conventional breeding methods, without making use of any genetic modification technology
2. Have been produced in a natural environment, taking all possible precautions to prevent mixing with genetically engineered material(s)

If in future, we are going to test or introduce in trade varieties that can be considered genetically modified varieties, we will announce it.

Kind regards,

Pieter Storm
Managing Director
